View and Print Pre-Defined Reports

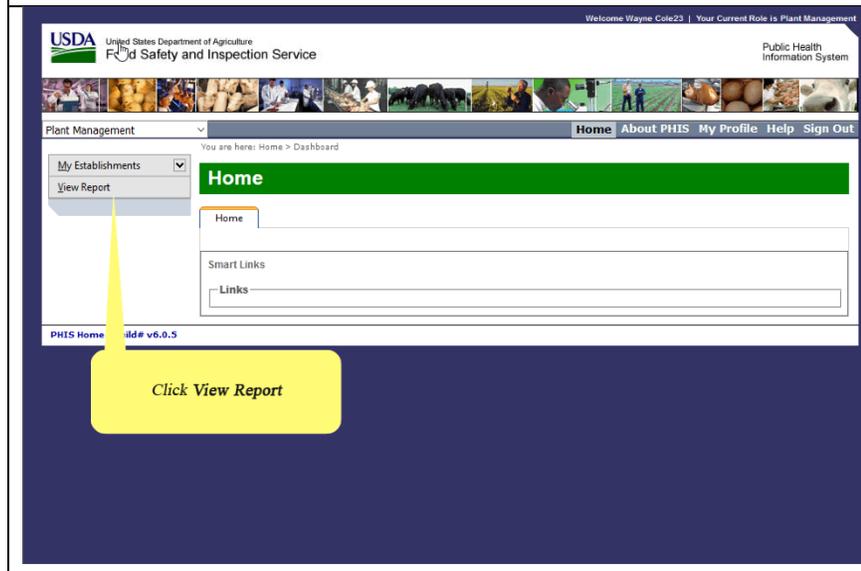

This screenshot shows the 'View and Print Pre-Defined Reports' page in the PHIS system. The page has a yellow background and contains the following instructions:

- ❑ Click **View Report**
 - Review the [Inventory of Standard Reports](#)
- ❑ Click the **Run** link for the report you want to view or print
 - You may also save the report on your computer

An inset image shows a preview of a report interface with various filters and data columns.

Welcome to the Public Health Information System. In this demonstration, you will learn how to view and print pre-defined reports. I'll guide you through the steps of accomplishing this task.

This screenshot shows the PHIS Home dashboard. A yellow callout box points to the 'View Report' button in the left-hand navigation menu. The dashboard includes a 'Home' header, 'Smart Links', and 'Links' sections. The breadcrumb trail reads 'You are here: Home > Dashboard'.

First, click View Report.
